Profile

I am a motivated Graphic Designer who has just graduated from Nottingham Trent University. Working across a variety of media, I strive to produce concept driven visual communication with a keen eye for typographic and layout details. With a strong understanding of brands and visual language, I am able to balance innovation with professional design solutions. I am open minded and passionate about the wider design world, and happy to fulfill the needs of a diverse range of clients and cultures.

Qualifications

BA [Hons] Graphic Design [2.1 with Honours]
Foundation Studies in Art & Design [Distinction]
A Levels
Art & Design [A]
Mathematics [A]
Product Design [A]
10 GCSEs [A*-B]

Work Experience

July 2009

Two week work placement with advertising agency Haygarth. Responsibilities included layout and graphic design for a variety of commercial marketing campaigns, particularly point of sale and direct mail. Having worked both independently and as part of a team, this experience has put the design process into context and has given me a firm footing in professional visual communication.

July 2008

Three week work placement with branding consultancy FOUR IV. I contributed idea generation, design development work and layouts to a range of branding and identity projects. Other responsibilities include drafting print specifications, choosing stock samples and working on pitches for new clients.
